TERMS AND CONDITIONS OF REGISTRATION

First.- Event Organizer. The participant has voluntarily registered for the SKODA TITAN DESERT MOROCCO 2027 (hereinafter the "Event"), organized by RPM RACING S.L.U., with registered address at Av. Diagonal 477, Planta 16, 08036-BARCELONA, and Tax ID (NIF) B61514360, (hereinafter "RPM").
RPM reserves the right to admit any participant, as well as the possibility of modifying the route or any of the conditions for reasons of force majeure.

Second.- Registration. Registration is personal, non-transferable and non-refundable, unless the registration fee refund guarantee has been purchased, as set out in clause four of this document.

The Participant may choose to pay the registration fee in a single payment, or through instalment payments in three installments, at no additional cost, according to the following schedule:

- First payment: at the time registration is completed.
- Second payment: before December 4.
- Third payment: before March 1.

If the Participant fails to comply with the instalment payment schedule, their registration will be automatically cancelled, with no right to take part in the Event or to receive a refund of the amounts already paid.

Third.- Request to postpone registration. If the Participant is unable to attend the Event, they may request, free of charge, that their registration be postponed to the following edition, provided that RPM receives the request at least 20 calendar days before the Event takes place. In the case of instalment payment, the full registration fee must have been paid beforehand.

Postponement may only be requested once, is not transferable and does not give rise to any subsequent financial refund.

Fourth.- Registration fee refund guarantee. During the registration process, the participant may purchase a Refund Guarantee for a price of €195 (plus VAT). This Refund Guarantee will allow the recovery of 90% of the registration fee, provided that the request is received at least 20 calendar days before the Event takes place, and, for Participants under the instalment payment plan who have not yet paid the registration fee in full, any outstanding instalments will be offset against the amount to be refunded by RPM.

There is no need to justify the reason for cancellation, and the Participant who has purchased the guarantee may choose between:

- postponing their registration free of charge to the following edition of the same event; or
- requesting a refund of 90% of the registration fee.

Both options are mutually exclusive and the choice communicated to RPM will be final.

The guarantee is personal, non-transferable and non-refundable. It does not cover its own cost, administration fees, or the cost of additional services.

Fifth.- Purchase of additional services. During the registration process, the participant may purchase services and products that are additional to and independent of registration. The enjoyment and use of such additional services and products purchased may not be postponed to the following edition of the Event.

Notwithstanding the foregoing, the Participant may cancel the additional services and products purchased if requested from RPM at least 90 calendar days in advance and provided they have not yet been processed. Any service or product that has been booked, issued, activated, blocked, produced, personalized, shipped or

committed to a supplier will be considered processed. If these requirements are met, RPM will refund the Participant 90% of the amount of the cancelled additional services and products.

Sixth.- Charter flight refund guarantee. During the process of purchasing the charter flight service, the participant may purchase the charter flight refund guarantee for a price of €75 (plus VAT).

This refund guarantee will allow the recovery of 90% of the charter flight fee, provided that the request is received at least 20 calendar days before the flight's departure. There is no need to justify the reason for cancellation.

When the request is received after the aforementioned 20 calendar day period, there will be no right to a refund.

The charter refund guarantee is personal, non-transferable and non-refundable. It only covers the cost of the charter flight and not its own price or other additional services.

Seventh.- Conditions of participation. The participant declares that they know and have read these Terms and Conditions of Registration, as well as the Event Regulations, and accepts them in full.

The participant has been duly informed by the organization of all the details and characteristics of the Event, of the activities that will take place during it, as well as of its risks.

The participant, being aware of the risks that have been duly disclosed to them, is liable for any damage and injury that they may cause to themselves, their companions or third parties, as well as to their own property or that of third parties, releasing the organization from any type of liability for damage or injury that may occur in the preparation, development and execution of the Event to themselves, their companions or third parties, and for damage to their own property or that of third parties, expressly waiving the right to bring any type of claim against the organization or to take any extrajudicial or judicial action against it.

Eighth.- Cancellation of the Event. The participant is aware of and accepts that TITAN DESERT may not take place, for the following reasons: i) inability to obtain the necessary transit authorizations, ii) political complications that may affect any of the countries in which the Event takes place and that pose a risk to the management of the event and/or to the safety of the participants, iii) organizational and/or administrative matters (such as logistical or financial issues) that make it impossible to hold the event. In the event of such cancellation, RPM will refund the amounts paid by the participant, and no other claim for damages may be made. If the Event is suspended for reasons other than those described above, RPM will not be held responsible, and therefore no refund will be due.

Likewise, the participant is informed that, should the Event's start date be changed, RPM will contact each participant immediately to inform them of the new race schedule. From that moment, participants will have a maximum period of 8 calendar days to request in writing a refund of the registration fees and amounts paid to the organization. If this period elapses without the participant having notified their withdrawal and cancellation of their participation, they will be deemed definitively registered for the Event on the new date.

Ninth.- Accident and repatriation insurance policy. The participant is aware of and accepts that, as of the date of their registration for the SKODA TITAN DESERT MOROCCO, RPM RACING, S.L.U., as organizer of the event, is negotiating with various insurance companies for accident and repatriation coverage. The terms of such coverage will be communicated to registered participants once the policy has been finalized with the insurance company ultimately chosen.

The participant releases RPM from any claim arising from the information provided, as well as from any risk and/or harmful health consequences that the participant may suffer.

Through the accumulation of kilometers covered in Titan World Series events, the Participant will attain Titan Legend, Titan Legend Platinum or Titan Legend Diamond status, with access to certain exclusive benefits and recognitions, such as special registration conditions, preferred services, gifts and other advantages that the organization determines from time to time.

Thirteenth. - **Image Rights**. You are informed that RPM will carry out, directly or through authorized personnel, general recordings and images of the Event's proceedings, including presentation ceremonies, award ceremonies or related activities, for the purpose of publicly announcing its celebration, as well as disseminating information about future editions. This capture and use of general images, in which the Participant may appear incidentally or without being primarily identified, is described in the Event's Privacy Policy, available on the website.

Notwithstanding the above, you may object to such processing by requesting not to appear in images from the event. To do so, you may contact the data protection officer by email at dpo@rpmsports.es.

Likewise, and only when the Participant has given their express consent on the registration form, RPM may use and transfer to third parties (sponsors) the images and recordings in which the Participant appears in an identifiable or individualized manner, for commercial, promotional or advertising purposes related to the Event or similar sporting activities, in any medium or format (including, without limitation, social media, print or audiovisual media).

This transfer will be made free of charge, for worldwide territorial scope and for the maximum term of validity of the image rights, without prejudice to the Participant's right to revoke their consent.

The Participant expressly waives the right to receive any compensation or financial remuneration for the capture, use or transfer of the images and recordings made under the terms set out herein.
